FREE SHIP POLICY

A freeship policy of Mirza ghalib College is a financial assistance program designed to support students from economically disadvantaged backgrounds by waiving their tuition fees either partially or fully.

This policy aims to make higher education accessible to students who might otherwise be unable to afford it due to financial constraints.

Eligibility Criteria:

- To qualify for a freeship, students generally need to demonstrate that they come from a poor economic background.
- This is typically done by submitting relevant documents that provide proof of the family's income.
- These documents are thoroughly verified by the institution before granting the freeship.
- Students who are already receiving scholarships or assistantships from other external funding agencies or under the Tuition Fee Waiver (TFW) scheme are not eligible for the freeship.
- No concession as to Free ship etc. are possible for the Self Financing Courses.

Types of Freeship:

1. **Full Freeship:** This covers the entire tuition fee for students. It is aimed at students whose families are unable to contribute to their education costs at all
2. **Half Freeship:** This covers 50% of the tuition fee, providing significant relief while still requiring the family to contribute a portion of the costs.

Application Process: Students interested in applying for a freeship must submit an application along with the necessary income-related documents.

Verification and Approval: The submitted documents are verified by the college administration to ensure that the applicant genuinely needs financial assistance.
